("AMI") Plan)

Order entered: 4/19/2011

SCHEDULING ORDER AND NOTICE OF WORKSHOP

On April 14, 2011, I held a workshop in this docket to discuss the Advanced Metering Infrastructure ("AMI") Plan filed by Green Mountain Power Corporation ("GMP"). Representatives from the Vermont Department of Public Service ("Department"), the only other party to this case, were in attendance. At the workshop, I admitted GMP's prefiled testimony and associated documents into the record. GMP's witnesses responded under oath to questions and concerns raised at the workshop.

At the conclusion of the workshop, the parties discussed a schedule that would result in a Board decision by May 31, 2011. In order to provide sufficient time for Board review, the parties agreed to the schedule set forth below.

I hereby adopt the following schedule:

April 22, 2011	GMP files a draft Proposal for Decision
May 6, 2011	By this date, parties will make additional filings in this docket. Filings may include a combination of the following items: Memorandum of Understanding; revised draft Proposal for Decision; comments on draft Proposal for Decision; or Department testimony.
May 12, 2011	Workshop to discuss the May 6 filings. (The workshop may be cancelled if no party requests it be held and if the Hearing Officer determines that it is not needed.)

The Hearing Officer plans to conduct the workshop on Thursday, May 12, 2011, commencing at 1:30 P.M., at the Public Service Board Hearing Room, Third Floor, People's United Bank Building (f/k/a the Chittenden Bank Building), 112 State Street, Montpelier, Vermont. The workshop will be recorded by a court reporter.

SO ORDERED.

Dated at Montpelier, Vermont, this 19th day of April, 2011.
